What is Homegrown Faith?

Homegrown Faith

Faith formation begins at home.

Join us for Bible studies, play dates, family dinners, holiday parties, and more as we grow in Christ together.

We're building a supportive village for families - from expecting parents to those with school-aged children—a place to build friendships, encourage one another, and strengthen our faith.

Wherever you are on your journey, you're welcome here. Let's grow together and raise children who know and love Jesus.
